This provision shall not be construed to prohibit employment of persons with whom Contractor's officers, agents, or employees have family, business or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicants and such persons have successfully competed for employment with other applicants on a merit basis.
- R. Contractor agrees to and shall comply with the following indemnification and insurance requirements:
1. Indemnification - The Contractor agrees to indemnify, defend, and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim therefore, except where such indemnification is prohibited by law.

If Contractor has no employees, it may certify or warrant to County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Risk Manager.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance. If the County's Risk Manager determines that there is no reasonably priced coverage for volunteers, evidence of participation in a volunteer insurance program may be substituted.

property damage of not less than one million dollars (\$1,000,000). ***Exception: If the Contractor is going to transport clients, at any given time, then the policy shall have combined single limits for bodily injury and property damage of not less than two million dollars \$2,000,000.***

- 6. Proof of Coverage - Contractor shall immediately furnish certificates of insurance to the County Department administering the Contract evidencing the insurance coverage, including endorsements, above required prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within sixty (60) days of the commencement of this Agreement, the Contractor shall furnish certified copies of the policies and all endorsements.
- 7. Insurance Review - The above insurance requirements are subject to periodic review by the County. The County's Risk Manager is authorized, but not required, to reduce or waive any of the above insurance requirements whenever the Risk Manager determines that any of the above insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Risk Manager determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Risk Manager is authorized, but not required, to change the above insurance requirements, to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.
- 8. Any such reduction or waiver for the entire term of the Agreement and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.
